Declining Balance (DB)

Declining Balance dollars work on the same principle as bank debit cards. Each time you make a food purchase at a C-Store, Quiznos or Mulerider Café with your DB card, the total cost of your food purchase is subtracted from the dollar balance in your account. DB dollars carry over from the fall to the spring semester.

>SAU Residence Halls

SAU residence halls are available for housing full-time students during the fall and spring semesters and summer sessions in which they are enrolled. As requested by the students, the plan allows students to have the privilege of continuous dining during the fall and spring semesters. Continuous dining allows a student to eat in the dining hall during the time from 7 a.m. to 9 p.m. (except for two brief periods reserved for cleaning).

Temporary housing is provided during holidays and between semesters and terms for international students, for students who are unable to travel to their homes, and for students working locally for a fee of \$15 per night.

Students may pay the entire room and board costs at the beginning of each semester or in five installments, the first of which is due the beginning of each semester. Room and board for each summer session is due at the beginning of each summer session.
